Poric Park
May 13 & 14, 2016

A handmade quilt raffle to benefit Rebecca's Reel Quilters

This quilt is a generous queen size. It is a contemporary pattern from Easy Quilts magazine (the pattern name is "In Alignment") that was scaled up to fussy cut the bouquets of flowers from a series of April Cornell fabrics.

The background fabric is Kona. The idea was to use some really traditional fabric to make a contemporary textile that will be cherished for years!

Take a
Chance!
